

Manufacture size charts

Please use your professionally taken measurements to select your dress size using the manufacturer's size chart below. If your proportions do not perfectly match the chart, please select dress size based on the largest measurement (bust, waist or hip). If you need guidance in choosing a size, please feel free to contact us at (636) 394 –5858.

Please note that alterations are often needed for a 'perfect' fit.
Extra length (XL) is available for anyone 5'7" and taller for a surcharge.
